M.R.A.I President Report 2013-05-29

TO; The Maples community and all the families who help provide the spirit and mentorship needed in today's ever growing community. It's with great pleasure that I inform you that there were very few changes to the M.R.A.I. Board of directors at the annual AGM.

Erwin H has stepped aside from his chair director to pursue other opportunities; he will be greatly missed at our regular meetings. His service to the hockey program will leave a lasting legacy that will be hard to match. His wit and humour will always be remembered. Thanks Erwin for a great job, we wish you all the best. We also wish Brian P great success in his new role in the hockey program.

Cindy P, Treasurer for the M.R.A.I. has chosen to step aside from her role, but will always be part of the M.R.A.I. family and will be filling in on special committees were needed. Cindy has been a great partner in the many roles she has filled to make the centre the great success its today. Her role as treasurer will be greatly missed! The good news is she will be staying on until we hire and train someone to fill this much needed executive director's chair. If you are interested in helping your community centre, have some book keeping skills and would like to make some dividends part time, please send your resume to us ASAP for the chance to be part of a great family partnership. **(Send to below e-mail ASAP)**

Last year of 2012-13 the M.R.A.I. board was able to make great strides toward our new building expansion plans to help the needs of the ever growing maples community. We are now in the planning stages of what the community would like to see built, I challenge all of you, if you have a dream for this community centre or any good ideas we would like to hear from you ASAP, this will help us ensure we meet not only our needs but yours.

I could sit here and tell you all about all of the great things to come but you need to come out of your homes to find out for yourself. Maples community is all about our diversity and how we all come together and make a difference and help in those differences to create great experiences. You will never know about those experiences if you don't get out of your homes and take part in making those experiences and dreams a reality.

The Maples Community Centre has a place for you to get started with those experiences. Places were making memories that will last a life time not only for you but for all you come in contact with.

Truly Yours
M.R.A.I. President:

Amedeo (Adam) Tocci
