NEW MAPLES RUGBY PROGRAM

Rugby Manitoba and Maples Community Centre are pleased to announce the joint agreement to provide the Obby Khan Youth Rugby Program at Maples Community Centre!!!

“Youth flag rugby is a great team sport for kids,” says Obby Khan, Offensive Lineman for the Winnipeg Blue Bombers. “Everyone gets to throw the ball, there is no contact, and it really promotes teamwork and communication. I was really excited when Maples approached Rugby Manitoba about creating a community based program. The growth of the sport is just going to explode now that it is in the Olympics!”

This entry level sport for youths at this age group is a great introduction as Rugby Manitoba prepares for Western Canada Games in 2011 in Kamloops, BC for U16s.

“We can start identifying those youths who have a passion for playing rugby, and want to learn the 7s game in time for selection to Western Canada Games,” according to Lainie Wintrup, Development Manager. “2011 is a really exciting opportunity for these players. With the Olympics in 2016 – players from these Western games have the potential to be there!”

For the first time ever, registration for Rugby will be available at Maples community centre.

Remaining registration dates: 17 March 7-9 PM

This is a pilot project in cooperation with Rugby Manitoba.

The program fee is \$25.00, runs for four weeks and is for 12-14 year olds.

Contact Obby Khan youthrugby@rugbymanitoba.com for more information.

Making memories that last a lifetime!
